

Consultants in Dysphagia Diagnosis and Management  
100 Cummings Center - Suite 124A  
Beverly, MA 01915  
Phone: 1-800-508-6277 FAX: 978-232-0330

**To Schedule Your Patient's Dysphagia Consultation Including MBSS  
with MassTex Imaging, LLC:**

Fax the following information to 978-232-0330:

1. Signed Physician's Order: **Please write your verbal order for the swallow study to read:**  
***"Dysphagia consultation including MBSS due to swallowing difficulty"***
2. Copy of patient's face sheet
3. Completed MassTex Imaging, LLC intake form including patient consent. (If you do not have one please call and one will be faxed to you)

You will be scheduled a day as soon as possible and called the day before to confirm the appointment. When confirming, you will be given a two hour window of when our van will arrive at your facility.

**Day of Consultation:**

- MassTex Imaging will call your facility 20 minutes prior to arriving at the site.
- At this time, please ensure the patient is in a **wheelchair** with their **chart** and **vitals**. We will come in to let you know that we have arrived and are ready for the patient.
- If possible, please have the patient in the lobby.
- Upon the completion of the consultation, The MassTex Imaging Team will leave a copy of the physician's report, the speech-language pathologist's report and a copy of the consultation at the facility. If the facility SLP is not available or present, the MassTex SLP will go over results with the nursing staff.

Your assistance is greatly appreciated by the MassTex Imaging, LLC Team.

Thank you.

The MassTex Imaging, LLC Team
